BEAUTY

The hot-colour clash:

Whether mixed up or matched, the new full-on glossed-up colours for lips and nails have to be eye-searing brights (from fuchsia to tangerine, and scarlet to purple). Just remember to keep the rest of the face natural to balance the glossy colour and keep it modern.

THE TOO-LATE TO TAN TIP

ModelCo Tan Airbrush, Dhs110 – it's your fool-and smudge-proof, wash-off tan.

HOT TIP: Backstage, supermodels rely on Guerlain's Terracotta Jambes de Gazelle, Dhs235, to give an instant lift to pasty limbs. It's great for décolletage too.

THE CLEANSE A juice deep-clean is the new 'rest from the excess' and a gentler alternative to a detox. Head to Planet Nutrition at The Dubai Mall where health guru Jason Vale has opened Juice Master, a juice bar with delicious concoctions of health-inducing drinks. Also visit Besupernatural.com, the UAE's debut one-stop health food shop for juice cleansing advice.

The face tan

The deep 1970s-supermodel Lauren-Hutton-inspired velvety tan for the face relies less on shimmery powder bronzers and more on creamy, skin tints. Mix YSL Teint Parfait in no 8, Dhs184, or Diorskin Nude Glow Complexion Enhancer, Dhs220, with tinted moisturiser or use alone – it's so much better than fake tan for the face. Wear it with Giorgio Armani's Mediterranean Eye Palette, Dhs260, for every luxe shade of beige.

5 Body bronzing

Glam up your tan with a slick of Nars Multiple Bronzer in Laguna, Dhs173; or St Tropez Wash Off Instant Shimmer Stick, Dhs92, over bare shoulders, collarbones and shins for a chic, sexy bronze goddess look this summer.

THE BODY SECRET Beat bloating and dehydration brought on by constant flying with colon hydrotherapy by Bazaar fave Kay Vosloo. It will also prepare your digestive system for Ramadan. Dhs850. Call +971 4 348 5452

8 The Saint-Tropez eye

Blend peachy shadow over the lid, line top lashes with pure black, and finish with black mascara top and bottom. Hot tip: Update it with this summer's pastel lilac. Maybelline Eye Studio Lasting Drama Gel Liner, Dhs40; Lancôme Hypnôse Doll Eyes Mascara, Dhs165; Illamasqua Cream Pigment in Emerge, Dhs110.

The scents of summer

Think tanning oil on sun-warmed skin and you have Estée Lauder's super-sexy Bronze Goddess Soleil Eau Fraiche, Dhs269 – perfect for the beach; or, for a sexy scent suitable for warm summer nights, Amouage's Honour Woman, Dhs1,717 (a seductive white floral with tuberose and jasmine) ticks all of Bazaar's boxes.

WHAT MAKES ME FEEL HOT...

Kirsten DUNST

"Serge Lutens lipstick in the hot raspberry, Garde Rose – it's the best colour ever [or try Guerlain's Rouge Automatique in 165, Dhs175 for a similar shade]... spritzing on my new Bulgari Mon Jasmin Noir scent, Dhs269, I love the way it goes on fresh but evolves into something so sexy... going to exercise classes with my friends, rather than a trainer. We have fun, get hot, laugh and get fit."

10 WHAT MAKES ME FEEL HOT...

Margherita MISSONI

"*Essie nail polish* in Potato Fields, Dhs35; it makes short summer nails look great; ...*Institut Esthederm Adaptasun cream*, from Dhs190, which stops my skin burning and drying out; ... *and my Missoni beach hat* to stop me getting a super-dark tan on my face."

11 Hothead

Update your look and your locks with a rich new shade for summer, but be sure to choose according to your skin tone. "Pale skin can suit nearly any hair colour, but for olive skin try adding a few rich low-lights in red shades, from burgundy through to chestnut," advises UAE hair guru Maria Dowling.

12 The coloured lash

The trick is to contrast, not match, mascara with eye colour. Purple or blue looks great on green eyes; blue eyes pop with a coat of warm aubergine. *MAC Zoom in Green is Green*, Dhs88; *Sisley Phyto-Mascara Ultra Stretch in Deep Blue*, Dhs215 and *YSL Singulier Nuit Blanche* mascara in no 4, Dhs163.

WHAT MAKES ME FEEL HOT...

Daria WERBOWY

"*Lightening my hair* two shades at the start of summer to set off my tan and give me a relaxed, beachy look; ...*wearing Genifique Soleil UV Protector* by Lancôme, Dhs165 – my favourite sun cream which leaves my skin soft, hydrated and ultra protected; ...*and slipping on my loose Stefanel tunic*, which reminds me of sailing on the Mediterranean."

13 **GUILTY PLEASURE** Who doesn't yearn for tanned, glistening skin? Now sun oils are back with serious SPFs, we can ditch the dull lotions for a slick of *Ambre Solaire SPF30 Oil*, Dhs85, or *Hawaiian Tropic Protective Dry Oil Spray SPF20*, Dhs53.

15 The one-stop holiday shop,

Book in for a pre-beach spray tan at Sisters Beauty Lounge (you can opt for the *St Tropez spray tan* with exfoliation for Dhs315), and then treat yourself to *Heidi Klein's most figure-flattering bikini* of the summer, the *Nassau Bow*, Dhs1,132 at Harvey Nichols.

16 The oils

To get this summer's essential sheeny, gleaming skin, it's all about oils, not creams. Massage in *Tom Ford's Neroli Portofino Body Oil*, Dhs277, or *Jo Malone's cult Lime Basil & Mandarin Dry Body Oil*, Dhs250, to soften post-sun skin. **Hot tip:** Mix a tiny drop of face oil into your tinted moisturiser for the best real-skin dewy finish.

17 The teal toe

It's the only colour to wear for feet this summer *Dior Vernis in Nirvana*, Dhs111

18 BEACH-HAIR UPDATE

Summer's ultimate sexy hair goes glam with extra volume and a looser modern finish; spray *TIGI The Dirty Secret Dry Shampoo*, Dhs65, at roots and ruffle through hair lengths. **HOT TIP:** On the beach, slick hair back with *Kérastase Soleil Huile Celeste hair oil*, Dhs110. It protects and conditions with a wet-look shimmer. *Dior Addict Lipstick in Fire*, Dhs132. *MaxFactor Masterpiece Waterproof Mascara in Black*, Dhs51. *Dior Hydralife Pro-Youth Skin Tint*, Dhs199. *Crochet bikini*, Dhs3,546; *gold necklace*, Dhs1,162, both *Salvatore Ferragamo*
